24 October
15:00-17:15 CET
(13:00-15:15 GMT)

The webinar is offered by the University of Iceland and linked to the Aurora educational hub Culture: Identities and Diversities. The webinar is connected to the Aurora course "Environmental Ethics and Ecotheology" taught at the University of Iceland fall 2025. In this international course, students from four Aurora schools have come together to ponder and learn about the role of religion and spirituality in ecological justice with a focus on the context of the Arctic.
